Summary

Full Stack Web Developer with a background in management, employee development, and customer service. Earned certificate in Full-Stack Web Development through Georgia Tech , and earned a MBA from Saint Leo University in 2020. While completing my certificate program, I excelled in MERN, SQL & NoSQL, and Javascript projects. Worked in several different groups throughout my bootcamp and was recognized as a proactive, resourceful, and persistent problem-solver.

Technical Skills

- Languages etc:CSS, HTML, JavaScript, Express.js, React.js, OOP, MERN
- Databases: SQL and NoSQL (MongoDB)
- Tools: Git, Heroku, MySQL Workbench, Mongo Atlas

Projects
